

Support Content / My Account

To view your product's user manual, watch setup videos, and download software: Login using the account you created at checkout OR create a new account now. For SlideSnaps, after logging in, register your unit using the serial number on your projector core.

(If you run into any issues, don't hesitate to [contact us](#))

If you are unsure whether or not you have an account, click "Lost Password" and enter your email address.
